MOTHER'S DAY RECIEVING.

Oh, how I long for your reconciliation,

When all else my mind forsakes;

I long to be in mother's kitchen,

Eating mother's buckwheat cakes.

In my heart I see her standing,

With the smile that makes meakes;

Stirring up the bowl of batter

For some more buckwheat cakes.

See her as she neatly drops them,

Flops them out upon making plates;

She's the master with her batter,

In the making buckwheat cakes.

See her with that old, thin case knife,

As she from the griddle takes

That dark, spriggy, tiny masses,

She's the master with her batter,

In the making buckwheat cakes.

See her as she neatly drops them,

Flops them out upon making plates;

She's the master with her batter,

In the making buckwheat cakes.

See her as she neatly drops them,

Flops them out upon making plates;

She's the master with her batter,

In the making buckwheat cakes.

Those are pleasant recieving,

Yet, my heart, it softly aches.

When I find I can no longer

Eat dear mother's buckwheat cakes.

When I'm through with facts,

And power, I'm through,

If there's no place to go,

Give me mother's buckwheat cakes.

### LEST WE FORGET!

Over 2,000 Democratic Precinct Election Boards, 115 Democratic County Election Boards, and a solidly Democratic State Election Board—these were created by the people and/or their agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 1st, 1890—  
William S. Taylor, 193,514  
William Goebel, 191,531

Taylor's Plurality, .283.

THE Goebel Law is the most fitting monument that GOEBEL could have.

THE New York World is not distributing free loaves of bread this year, as it did in 1894. The people can afford to buy their own bread now. Yet THE World continues to rail at the McKinley Administration, because it is a part of its stock in trade.

WRITING TO THE Louisville Post, "A Simon Pure Democrat" refers to the movement of JOE BLACKBURN to amend the Goebel Law, and adds:

"If it is such rotten politics that Joe and THE Courier-Journal can't stand it, then it must be the quintessence of political prudence."

HOW LOW and vile the slanders uttered by TOM CAMPBELL and JUSTUS GOEBEL and HENRY WATTERSON upon

WILLIAM S. TAYLOR appear in the light of the magnificient demonstration made in honor of the right-

ful Governor of Kentucky by the Republican National Convention! Throughout the whole country, says THE Louisville Commercial, it is understood that THE Courier-Journal's charge of murder against Governor TAYLOR is a criminal libel, and the greatest Convention of the National Republican party that has ever been held has merely reflected public sentiment everywhere in the United States in cheering to the echo Governor TAYLOR's utterance on the door of the Convention and in making unreserved acknowledgment of its respect and admiration for the man who has been made the target for the poisoned shafts aimed by the character assassins of the Goebel Democracy.

Governor TAYLOR may well be proud of the demonstration made in his honor at Philadelphia, and the Republicans of Kentucky are profoundly grateful to the National Convention for having made it. There is no longer a doubt that the whole country now understands the real situation here, and that it coincides with Governor MOUNT of Indiana in the opinion that it would be a violation of every decent conception of justice to permit Governor TAYLOR to be dragged into the dungeon prepared for him out of the hatred and the malice and the criminal devility of Goebelism. Through the National Republican Convention it has rebounded with tremendous vigor the Democratic conspiracy to jeopardize Governor TAYLOR's liberty and life after having robbed him of the high office to which the people of Kentucky had elected him.

Governor TAYLOR is happy in this demonstration of the Nation's esteem. And all the liberty-cherishing people of Kentucky will rejoice with him.

The new church at Plumley will be dedicated Sunday, July 15th.

Rev. Dr. J. W. Porter will preach at the Baptist Church at Aberdeen this evening at 7:45. Services every evening this week.

The Lewis County Teachers' Institute will be held in the Courthouse at Vanceburg on July 23d, and continuing five days. Hon. John Burke, Superintendant of Public Instruction, will be the Instructor.

Within the past few days thirty additional men have been taken on in the freight department at the C. & O. shops at Huntington. More men are now employed in this department than ever before in the history of the shops.

The funeral of Mrs. Dr. King took place Saturday morning from the home of Miss Louie Powling on West Second street, with services by the Rev. H. H. King, of the Christian Church. The interment was in the Mayville Cemetery.

#### FATHER AND DAUGHTER DEAD.

**Disastrous Results of the Explosion of a Grist Mill Boiler Near Williamsburg, Ky.**

Williamsburg, Ky., June 25.—A boy was killed by the explosion of a boiler in a little grist mill near the Scott county line. They were Billy Broyles, aged 55, an old federal soldier, and his daughter Carrie, aged 13.

The girl was running the mill, and while she was working on the work properly she went to her father, who was working in his blacksmith shop, about 200 yards away, and told him of it. He told her to go back, and he would come as soon as possible, and follow up by his explosion, which suddenly killed him and injured the daughter so that she died in an hour. Before dying she recovered enough to ask what had killed her father and she struck her.

#### Attempt to Break Jail.

Lancaster, Ky., June 25.—A daring attempt to break jail was made in the basement. Robert Carrier and John Preston, a teamster, sawed the hinges off the large iron door to their cell, which let them into the hall, where they made a hole four feet long in the brick wall, and then crawled through to stop there and proceeded to handcuff both Carrier and Preston. At daylight they broke the handcuffs and were just on the point of breaking out of jail when apprehended. They broke jail in April, and were caught in Boone county. Both are

convicted of breaking out of jail, and are serving a sentence of one year for each offense.

There are 8,642 school children in Madison county.

Mothers who would keep their children in good health should watch for the first symptoms of worms and remove them as soon as possible. Price, 25 cents. J. Jas. Wood & Son.

Mr. Davis Wallingford of Tollesboro and Miss Gertrude Marshall of Frankfort, formerly of Tollesboro, were married a few days since at the bride's home.

You feel better at once after using Herbin, you enjoy your food more, and you get more out of what you eat. Hence Herbin makes you strong, vigorous and healthy. Price, 50 cents. J. Jas. Wood & Son.

In Switzerland a milkmaid gets better wages if given a good voice, and she has been discovered that a cow will yield one-fifth more milk if soothed during milking by melody.
